

Free Agent Bids – Each week bidding will be open from 9am PT on Tuesdays until 3pm PT on Thursdays. New this year, we'll have a "second chance" bid window beginning on Thursday night at 9pm ET and ending at 8am ET. Step-by-step instructions are listed below:

1. Click on the Players link to find who you would like to bid on. They are sortable by team, alphabetically, by team owner and by position.
2. Click on "add this player" and you will arrive at a pay screen. Enter your desired bid amount (minimum \$5 bid), and scroll down to enter your credit card information as an *authorization only* process (similar to a rental car authorization). Tip: If you think you'll place more than one bid, you may want to copy and paste your credit card number. Click "Confirm Payment" to move to the next screen.
3. Now you land on a screen with your current roster and your desired bid amount. Select the player you wish to drop and you will be prompted to confirm this add/drop combination. Once you hit "finish" you will receive a confirmation of this bid.

For Conditional Bids, you will need to repeat the process above (select a player, enter bid amount, and your credit card information. You will go to the current roster screen and select the **same player** to drop as in your previous bid. You will be taken to the next screen where you will confirm the add/drop combination AND you will be asked if this is a Conditional Bid. You can control which bids are conditional or not.

Keep in mind that the first time you run through this process, it's a bit cumbersome. After you do it a couple of times it is much easier. We're here to help if you think you've run into an issue. Send us an email or call us at 1-888-752-9424 (M-F, 9a-5p Pacific).
